

# Unilevel Bonus

**When you help just 4 people get started in Xooma and teach them to do the same you'll earn significant bonuses every month!**

This approach to building your Xooma business is the fastest and most direct way to reach your financial goals. While this method requires that you use, sell, and/or sample \$125 worth of products per month, you'll have the ability to earn significant weekly and monthly income by participating in virtually all income streams offered through Xooma's Compensation Plan.

Your first goal: **"The \$400 Solution."**

With this simple and lucrative bonus plan you can earn at least **\$400 (or more) per month with only 20 Members on your Team!** In Xooma, we call this "the solution" because most people tell us that this is one of the easiest things they've ever done to earn money in a home-based business. For many people, an extra \$400 - \$500 per month provides the right "solution" to some of their financial needs. And when you do the math, that's approximately \$5,000 **(or more) per year** in additional income.

Level	Active Members	Your Bonus	Average Monthly Earnings*
1	4	\$80	\$100 - \$125
2	16	\$320	\$400 - \$500
3	64	\$1280	\$2000 - \$2500
4	256	\$5120	\$7500 - \$8500

**Qualifications:**

- \$100 Personal Sponsor Tree Qualifying Volume (BQV) + 25 FQV
- Active Members must also have \$100 Sponsor Tree Qualifying Vol
- No more than 60% of the Total Qualifying Members may come from one leg

\*Average Monthly Earnings represents a combined total of all commission streams. your results may vary.

## How the Uni-Level Bonus Plan Works...

You personally sponsor 4 Members into your Xooma business who are using/ selling a minimum of \$125 in Xtreme X20 each month (Package # 4705) **or** at least \$25 in Xtreme X20 and \$100 in products from Xooma's Health & Wellness store (all other Xooma products). As shown in the chart above, those 4 'personally sponsored' and qualified Members qualify you for an \$80 bonus over and above all other commissions you earn. Most people can **earn over \$100 per month with just 4 people** in their organization through this powerful plan.

Then, you simply help those 4 personally sponsored Members get to work and duplicate your efforts. Once you have 16 qualified Members on the second level, you'll earn a \$320 bonus over and above all other commissions you earn. At this point you'll have 20 active Members in your Xooma organization and be earning **\$400 or more per month** from just this small amount of effort!

Taking this to the next level... Once you have 64 Xooma Members on the third level who are qualified, you'll earn an **additional \$1,280 bonus** on top of all of your other commissions!

Finally...Once you have a total of 256 Xooma Members on the fourth level who are qualified, you'll earn an **additional \$5,120 bonus** on top of all of your other commissions!
