

Fast Start

The Xooma Business Plan is one of the easiest and most rewarding plans ever created for long-term residual income. Thanks to our Fast Start Bonus Program, the Xooma Business Plan is also one of the most lucrative and rewarding plans for immediate weekly income.

Fast Start Bonus Packs	You Earn	Your Sponsor Earns	10K	25K	50K	100K	250K	500K
\$199 - \$499	\$75	\$25	\$5	\$3	\$3	\$3	\$3	\$3

When you sponsor a new Xooma Member with one of our “Fast Start” packages, you earn a \$75 Bonus! In addition, when one of your personally sponsored Members sponsors a new Member with a Fast Start package you earn a \$25 Bonus. Best of all, these bonuses get paid every week! 

It pays to sponsor new Members with a Fast Start Package...

- * Sponsor 4 new Members per month and earn an extra \$300 on top of all other commissions!
- * Sponsor 8 new Members per month and earn an extra \$600 on top of all other commissions!

Additional bonuses await you in the Global Bonus Pool!

Once your total combined sponsorship volume reaches \$10,000 or more (FQV + BQV) between your Matrix and Sponsorship Tree volume, you become a “Global Bonus Pool Member” and are qualified for additional bonuses from the Fast Start Packages that are purchased in your organization. Here's how it works...

The first qualified Global Bonus Pool Member in each category (10K, 25K, 50K, etc.) above the Member who purchases a Fast Start package is eligible to earn override commissions on every Fast Start Package sold. The first qualified Member at 10K earns a \$5 override commission on each Fast Start sale and the remaining qualified Global Bonus Pools Members each earn a \$3 override commission. Plus, if you're qualified for more than one Global Bonus Pool and there's no one else qualified for a Bonus Pool between you and the person who purchased the Fast Start Package, the bonus amount for each qualified pool is also paid to you.

Qualifying for Fast Start Bonus Commissions is easy...

To earn these lucrative weekly bonuses, you simply purchase a Fast Start Package yourself (one-time) in order to be qualified to earn commissions on the sales of all future Fast Start Packages in your organization.
