

First Month Bonus

Like our "Fast Start" Bonus Program, the "First Month " Bonus Program is designed to help you earn immediate income while you continue to build your long-term residual income through your Xooma business. And like our other program, we pay these bonuses every week!

When you sponsor someone new into Xooma Worldwide, we pay you a special commission (based on FPV) on their **first monthly order of X20** (Fast Start & Jump Start Packages excluded). Instead of paying the commissions on their first order of X20 through the normal Matrix compensation plan, we pay the majority of the commission to YOU. Review the chart below to see exactly how the "First Month " Bonus commissions are paid.

Total "PV" First Month	Sponsor Earns	Sponsor's Sponsor Earns	First Qualified Global Bonus Pool Members Earn (10K - 250K)
\$25	\$7.00	\$3.00	\$.50 each
\$50	\$14.00	\$6.00	\$1.00 each
\$75	\$21.00	\$9.00	\$1.50 each
\$100	\$28.00	\$12.00	\$2.00 each

As you can see, not only does this weekly bonus program pay you on the first monthly orders of the Members you personally sponsor, it also pays you (as the "Sponsor's Sponsor") on the first monthly orders of new Members sponsored by the people you've personally sponsored. In addition, once you qualify as a Global Bonus Pool Earner, you'll have the opportunity to earn a bonus (as shown above) on potentially every new Member's "first order" in your organization!
