Lose to Win (Continued)

'Real People with Real Results' is how our Xooma Members refer to The MetaboWize System. It has a 10-year proven track record of success in weight management and is one of the only programs available that works 24 hours a day to help facilitate weight loss

around the clock. And with modern research revealing how important 'elimination' is in encouraging weight loss, Nature's Body Cleanse is also an important part of this program. You can also benefit from Xooma's newest product, Probiotix™, for a healthy digestive and strong immune system.

Here's the only sad news. In 2016, at the same time Xooma was running its **Get Fit Weight Loss Challenge**, there were SEVERAL Xooma Members who experienced a great deal of weight loss on Xooma's products, including the MetaboWize System, but didn't register, missing out on some fabulous prizes to accompany their results.

Believe in yourself AND in the power of Xooma's products. Register for Xooma's **Lose to Win** in 2017, and become one of those 'Real People with Real Results'!

Here's how you can get started

Step 1) Order your MetaboWize product package. Xooma's official "Challenge Package" not only offers you the opportunity to officially participate in Xooma's 2017 Challenge, it also offers you an incredible value for the money. We encourage you to visit your Xooma website today and purchase the "Complete Weight Loss System," Item #5158.

Step 2) Send us an email with your information and photo. When you are ready to begin the Challenge, you'll register by emailing us at: losetowin@xooma.com and include **2017 Lose to Win** in your subject line. You'll then need to email four things: 1) your name, 2) your Xooma ID number, and 3) 'before' photos of yourself (holding that day's newspaper). We recommend you take at least two pictures, a close-up and a full-length photo of yourself. Side profile and back side photos are also encouraged.

Step 3) Get started. Kick-off your Weight Loss Challenge anytime between Thursday, December 15th, 2016 and on or before Tuesday, January 31st, 2017. Your 90 days begin on the date you email your information and pictures to Xooma. *Remember...*the last day to submit your email and entry photos is **Tuesday, January 31st**. So get committed to getting rid of those excess holiday pounds, and Xooma will support you every step of the way!
